U.S. News - Best Lawyers® has ranked Welborn Sullivan Meck & Tooley, P.C. in the National Tier 2 for Oil & Gas Law. *Best Lawyers®* is the oldest and most respected peer-review publication in the legal profession. Achieving a high ranking is a special distinction that signals a unique combination of excellence and breadth of expertise.

The following client comments appear on the *U.S. News – Best Lawyers “Best Law Firms”* website at <http://bestlawfirms.usnews.com/>:

“Welborn Sullivan Meck & Tooley is very well respected in the area of oil and gas law -- for both transactional and trial work. I never hesitate to refer others to the firm.”

“Welborn Sullivan Meck & Tooley can be relied upon to frequently simplify contracts/agreements without jeopardizing necessities, as opposed to lengthening or complicating them. A client can be comfortable that in dealing with complex matters the individual with the highest expertise in a particular area within the firm will have been consulted as a matter of course regardless of who is the initial contact. Attorneys frequently work as teams that seem designed to complement each other without overlap or duplication of effort. Matters are handled with highly professional conduct such that difficult and contentious issues can be addressed and discussed by opposing sides without the generation of added stress. Practical, timely solutions and advice are a forte.”

WSMT was also ranked in these additional tiers and practice areas:

Colorado – Tier 2

Commercial Litigation

Natural Resources Law

Oil & Gas Law

Colorado – Tier 3

Eminent Domain and Condemnation Law
