Edward J. Blieszner, a Shareholder at Welborn Sullivan Meck & Tooley, P.C. has been named the Best Lawyers' 2013 Denver Litigation – Municipal "Lawyer of the Year"

(Copyright 2012 by Woodward/White, Inc., of Aiken, SC)

September, 2012 (Denver, CO)

Best Lawyers® began designating "Lawyers of the Year" in the U.S. in high-profile legal practice areas in conjunction with the 15th edition in 2009. Only a single lawyer in each practice area and designated metropolitan area is honored as the "Lawyer of the Year," making this accolade particularly significant. Receiving this designation reflects the high level of respect a lawyer has earned among other leading lawyers in the same communities and the same practice areas for their abilities, their professionalism, and their integrity.

Throughout his thirty-one years of trial practice, Mr. Blieszner has represented a number of cities, towns and other governmental entities in Colorado, such as special districts, the State of Colorado and the Regional Transportation District. He has litigated cases involving challenges to governmental powers and authority, municipal code enforcement, construction projects undertaken by those entities, the acquisition of property through eminent domain and general litigation matters. He joined Welborn Sullivan Meck & Tooley in 2008.

Since its inception in 1993, Welborn Sullivan Meck & Tooley has grown into a firm of thirty-four lawyers with offices in Denver, CO and Casper, WY. We are an established leader in energy, natural resources, land-based development, business transactions and litigation. For more information, please visit our website at www.wsmtlaw.com
